FUN ACTIVITIES TO DO ON EASTER

BAKE EASTER BREAD

It can be any of your favorite breads, but with a sprinkle of Easter added into the mix, for example in the form of Easter chocolates or by making the bread in the shape of a bunny.

DECORATE EASTER EGGS

Painting and decorating the Easter eggs is one of those things to do on Easter that you'll enjoy whether you're an adult or a child. You can stick to beautifully painting the eggs with your favorite colors

DO AN EASTER CRAFT

For Easter season you'll want to decorate your house with pastel colors, bunnies, chicks, grass, decorated eggs and what have you.

EAT A CHOCOLATE EASTER BUNNY

Equally quintessential to do on Easter as eating a chocolate egg is to devour a chocolate Easter bunny.

GO TO CHURCH ON EASTER SUNDAY

Besides Christmas, Easter is the other holiday where you'll want to attend church even if you're not an active church goer otherwise.

MAKE AN EASTER BASKET FOR SOMEONE

You can find a cute basket perfect for decorating easily from a drugstore and the decorations themselves shouldn't be difficult to acquire either.
